

## **PART 2: Take A Step**

### **Introduction**

We all want to be generous but sometimes it can be hard to know where to start. We want to help you take the next step on your generosity journey through this discussion guide.

### **Discussion Questions:**

- If you were going to get fired for anything, what would it be?
- If you grew up in church, how was money talked about? If you didn't grow up in church, what was your perception of the church's perspective on money?
- During the message Chris defined stewardship as: The use of God given gifts and resources for the accomplishment of God given goals and objectives. Do you agree/disagree with this definition, why/why not? Is stewardship a new idea for you, or something you were reminded of?
- If you were to look at your current financial situation would you say what's been gifted to you is more focused on achieving your goals and objectives, or God's goals and objectives? It's okay to be honest!
- Read Luke 16:1-13 as a group. What stands out to you from the passage?
- Looking at The Generosity Steps: First Time, Occasional, Percentage, Extravagant. What step are you currently on? What's challenging/preventing you [from] taking the next step?
- If your money could talk at your funeral, what would you want it to say about you?
- As a group take the 90 Day Generosity Challenge together and support each other as you take the next step on your generosity journey. Join the challenge at [www.beyondchurch.com.au/challenge](http://www.beyondchurch.com.au/challenge)

### **Moving Forward**

*No one can serve two masters. Either you will hate the one and love the other, or you will be devoted to the one and despise the other. You cannot serve both God and money.*
