

Part 1: How We Got The Bible

How did we get the Bible? How did you get your Bible? That's what we're jumping into in this part of the discussion.

Discussion Questions

- What's a book, or piece of literature (besides the Bible), that has had an impact on your life?
- If you've got a favourite book of the Bible, what is it? Why does it stand out to you?
- How was it explained to you that we got the Bible? How did that response sit with you?
- Have you ever learned or heard anything surprising about the history of the Bible? What was it, and how did it impact your view of Scripture?
- What about the history of the Bible, that was spoken about in the message, stood out to you? Why did it catch your attention?
- If Luke's account of Jesus' life was all you had, what would change about how you approach Jesus and encourage others to move toward him?

Moving Forward

Many people have set out to write accounts about the events that have been fulfilled among us. They used the eyewitness reports circulating among us from the early disciples. Having carefully investigated everything from the beginning, I also have decided to write an accurate account for you, most honourable Theophilus, so you can be certain of the truth of everything you were taught.
